

Samsung 351U Battery Replacement

This guide will provide steps on how to remove and replace the Samsung 351 U battery.

Written By: Joseph Ortiz

INTRODUCTION

This guide will provide steps on how to remove and replace the Samsung 351 U battery.

TOOLS:

- [Phillips #0 Screwdriver](#) (1)
 - [Phillips #00 Screwdriver](#) (1)
-

Step 1 — Battery

- First, use a #0 Phillips screwdriver to remove the ten 4mm screws on the back of the laptop.
- Remove the back cover using a spudger.

Step 2

- Now, locate the (4 mm) screws on the battery and remove them.

Step 3

- Now, detach the wire that is connected to the battery, which should now be removable.

To reassemble your device, follow these instructions in reverse order.
